The Meraj Academy Newsletter

The History of Meraj

By: Shoaib Mohammed 8th Grade

Masha'Allah Meraj Academy has been here for 10 wonderful years. Each year that passes seems to bring memories and ideas that would inspire the next. Up until now, Meraj Academy has been evolving, always moving a step forward.

Meraj Academy was founded ten years ago by one Muslim man who probably never would have guessed that it would turn out to be such an inspiring Islamic School for young Muslims. It may seem at times like this school can't get any better than it already is, but somehow, it always does. Thanks to Allah, Meraj Academy is now, and Insha' Allah always will be, a very beautiful part of our lives, and a welcome part of our community.

Dear Parents & Staff,

I am pleased to be able to welcome everyone back to the school in our first newsletter of this year. Aside from the familiar faces, I look forward to seeing many new additions to both the staff and the student body, Ma'Shallah. The entering class is considerably larger than previous years so I anticipate an even stronger and more vibrant school community. More specifically, allow me to welcome three new additions to our staff: Ms. Maral, Ms. Huda, & Ms. Lubna. Enjoy the Newsletter and may we all have a successful and rewarding academic year, Insha' Allah.

Sincerely,
Ms. Ayesha, Principal
