Assalamu Alaikum;

Dear Meraj Parents and Students;

Sorry for the confusion, however we have not yet finalized our vendor pricing for the upcoming school uniform.

Upon reaching a successful agreement for both parties, please do not purchase any uniforms from Michaels uniforms.

In the event you have purchased them already, please let us know as soon as possible (by email at info@merajacademy.com or phone at 805-558-6069) so we can account for the order and make the necessary adjustments.

If you have any questions, please let us know.

Thanks in advance for all of your help!
